## Community Affairs Summary

Officer Miller has stayed busy this month. He continues to spend time each day greeting students at Timberstone Junior High, Central Trail Elementary, and Whiteford Elementary. He also continues to address concerns that arise within the schools, including speaking with a concerned parent about an issue their child was experiencing with another student and helping provide solutions to resolve the situation. On February 6, Officer Miller even had the opportunity to serve as a guest judge at Timberstone Junior High, where he helped select the winner of the school's annual door decorating contest!

### Public Safety Cadets

The PSC program had two regular training meetings in February. The first meeting, held on February 03, involved meeting one-on-one with each Cadet to discuss individual goals and interests. It also included a practice physical fitness test for sit-ups and push-ups pursuant to Ohio Peace Officer Training Academy standards, so Cadets are familiar with the academy requirements so they may better prepare. The second meeting, held on February 17, involved training in Burglary in Progress calls in preparation of the upcoming Heart of Ohio Competition.
