Community Affairs Summary

All of Officer Miller's and Officer Sulaica's hard work has paid off! Safety Town was a huge hit with our upcoming Kindergarteners. They learned a lot of new safety skills and had fun along the way. Unfortunately, on the first day there was a water main break at one of Central Trail Elementary's fire hydrants, but Officer Miller and Officer Sulaica stayed cool, calm, and collected and were able to get all the kids back inside the school safely. They then coordinated with the City of Sylvania Police Division to finish the rest of Safety Town at Maplewood Elementary. The kids all ended up having a blast and loved performing all their safety songs and dances to their parents at the Safety Town graduation ceremony.

Public Safety Cadets • June 9th: Cadets were able to go to the Lucas County Dispatch Center where they got a tour of the facility and were able to listen to 911 call-taking in real time. • June 23rd: Cadets learned new skills on how to direct traffic safely and effectively in preparation for the Sylvania Fireworks. The cadets and mentors went to Mayberry to learn more about their traffic positions for the Sylvania Fireworks. There, they had the opportunity to speak to community members about the PSC program.	Alcohol Compliance Checks and Active Threat Training • Funded through a grant from the Sylvania Prevention Alliance, Officer Miller, Officer Sulaica, and an agent from the Ohio Investigative Unit (OIU) conducted underage alcohol compliance checks at local retailers. Four retailers were found in violation. • Officer Miller delivered an Active Threat presentation to the staff at the Wildwood Surgical Center. These presentations present an excellent opportunity for our officers to engage with local organizations and deliver critical safety and security information.	Facebook • June 11th: A post was made for a missing juvenile who has since been located safe. • June 16th: Pig on the loose! A large pot-bellied pig had been found near Mitchaw and Sylvania Metamora. Citizens were worried about his wellbeing. Officer responded numerous times, but the pig's owners were not located. Fortunately, a sanctuary picked up and is currently caring for it!

DEA 2nd Quarter

I participated in several search warrants and operations resulting in the seizure of the below listed drugs of abuse as well as valuable assets. I continue to investigate leads in the DEA cases that I have that are currently open. Additionally, I continue to manage confidential sources with the purpose of disrupting interstate drug trafficking networks which have a nexus to Northwest Ohio.

An individual who was contacted by Sylvania Township Officers several years ago and was mentioned in the 4th quarter 2024 quarterly report, has plead guilty in Federal Court to charges related to being a felon in possession of a firearm and child pornography related offenses. His sentencing hearing was originally scheduled for June 4, 2026, at 10:00 a.m. in Federal Court, but has been changed to August 12, 2026, at 11:00 a.m.

All defendants involved in delivering two kilograms of cocaine from Chicago, Illinois to Northwest Ohio. Two of the defendants participated in proffer interviews with one providing valuable information to assist in ongoing investigations in the Chicago, Illinois area. The defendant who was identified as a multi-kilogram source of supply of cocaine was sentenced to 9 to 13 years in the custody of the Ohio Department of Rehabilitation and Correction. The other two defendants were sentenced to 5 to 7.5 years in the custody of the Ohio Department of Rehabilitation and Correction.

The investigation into the Sylvania Township resident who was receiving crystal methamphetamine in the mail is completed. I will be presenting the facts of this case to the Lucas County Grand Jury in late July.

As a reminder, the estimated street value of the drugs seized is listed. The listed value represents the total retail value of the drugs and does not represent the value if sold wholesale.
