## Community Affairs Summary

With the end of the school year approaching and warmer weather settling in, Officer Miller has been busy preparing for a full summer. The Citizens Police Academy recently wrapped up and was very well received by those who attended. One of the highlights was the MILO Simulator, which gave participants the opportunity to experience realistic scenarios and the split-second decision-making officers face every day. In addition to the Academy, Officer Miller has been hard at work preparing for the upcoming Safety Township program. From creating agendas to coordinating with teachers, he is helping ensure the children attending not only have fun, but also learn valuable safety tips they can carry with them throughout the summer.
