DEA 1st Quarter

During the 1st quarter of 2026, I participated in several search warrants and operations resulting in the seizure of the below listed drugs of abuse as well as valuable assets. I continue to investigate leads in the DEA cases that I have that are currently open. Additionally, I continue to manage confidential sources with the purpose of disrupting interstate drug trafficking networks which have a nexus to Northwest Ohio.

An individual who was contacted by Sylvania Township Officers several years ago and was mentioned in the 4th quarter 2024 quarterly report, has plead guilty in Federal Court to charges related to being a felon in possession of a firearm and child pornography related offenses. His sentencing hearing has been scheduled for June 4, 2026, at 10:00 a.m. in Federal Court.

Judicial proceedings are ongoing regarding the three individuals which were arrested after delivering two kilograms of cocaine from Chicago, Illinois to Northwest Ohio. One of the defendants has decided to participate in a proffer interview which was attended by Investigators assigned to the Chicago Field Division. Trial dates for the other two defendants have been scheduled for mid-May 2026.

In late March of 2026, a federal search warrant was executed on a US Postal parcel which was found to contain approximately one ounce of suspected crystal methamphetamine. The parcel was addressed to an address in Sylvania Township. On March 6, 2026, I conducted a controlled delivery operation in Sylvania Township in which a sham substance was placed in an identical parcel and the identified recipient was notified to go to the post office to receive the parcel. The individual drove directly to the post office and took possession of the sham parcel from the clerk. The individual was stopped by Sylvania Township Officers upon leaving the post office in his vehicle with the sham parcel. The individual's cell phone was seized, and I obtained a search warrant to search the phone. This investigation is ongoing.

Since September 2025, Investigators assigned to the DEA Toledo Resident Office had been conducting a conspiracy investigation involving several individuals. In mid-February the investigation culminated with the seizure of over \$600,000 US Currency and subsequent search warrants resulting in the seizure of over \$200,000 and 42 kilograms of cocaine.

As a reminder, the estimated street value of the drugs seized is listed. The listed value represents the total retail value of the drugs and does not represent the value if sold wholesale.
